MEMORANDUM FOR: Comptroller, DD/S&T

SUBJECT: Proposed Agency Program Structure

REFERENCE: Memorandum dated 17 August 1967, Subject as Above

1. We have reviewed the Proposed Agency Program Structure as outlined in Attachment A to the referenced memorandum. We feel that your proposal represents a significant improvement in the program structure, particularly with regard to covering OSA management as a single entity under "Collection of Intelligence". The categories as outlined in your memo appear to adequately cover the activities of OSA. We have no specific recommendations for change in your proposal.

2. We will welcome the opportunity to discuss the Proposed Program Structure prior to the next Program Call in order that we may have a complete understanding of required inputs.
